

*Dear*

**Good news from the North Pole!  
You have made it onto Santa's *nice* list!**

**To help you stay on the nice list,  
please refer to these suggestions  
courtesy of the Elf Surveillance Department:**

- pack away your toys when you have finished playing
- keep your room tidy  
(you don't want santa to trip over!)
- be kind to your parents and your siblings
- use your listening ears and your inside voice

**Now is a good time to start planning for Christmas Eve too.**

**Santa loves cookies and a cold drink.**

**For the reindeer, leave out a carrot or a crunchy apple.**

*Your Elf,*
